Salut,

Je ne crois pas qu'il serait approprié de s'inscrire à une présentation SAP compte-tenu qu'on est en processus de sélection.

Alain Dubé

Direction générale des programmes d'envergure

Vice-présidence aux technologies de l'information (VPTI)

Be sure to attend this comprehensive virtual event focused on SAP

[Register today.](#)

You've likely heard something about SAP over the past six months. Now is your opportunity to dig deeper into the business case, road map, and extensions for SAP that will **redefine how you deploy, manage, and use business applications** that drive your organization's digital transformation.

SAP is the **next generation of the SAP business suite** built specifically for the SAP platform, which is designed to be the foundation of your digital enterprise.

[Register today](#) and join us live on **Tuesday, August 18, 2015**, for a live kick-off session at **11:00 a.m. ET** to explore a broad range of on-demand sessions from experts within SAP and our partner ecosystems.

During this event, you will:

- Attend our keynote address, *Reimagining Business in a Digital World*, featuring special guest speaker Mike Walsh, futurist and author of the best-selling book *FUTURETAINMENT*, Martin Mrugal, chief innovation officer at SAP North America and Tony Evans, head of database & technology at SAP North America
- Hear a panel discussion on how SAP transformed its financial operations, *Simple Finance at Work*, featuring Michael Golz, chief information officer at SAP North America, and Thack Brown, GM and global head of finance line of business solutions at SAP
- Listen to SAP product experts, partners, and vertical industry leaders lay out the path to SAP
- Gain a better understanding of the unique path, and opportunities, for your company as it adapts to the new digital economy

Look for more details about the agenda and speakers shortly. We look forward to your participation!

Best regards,

SAP
